Once there was a bunch of scientists who were bored

Then the bald one came up with a idea

The scientists were happy with That idea and named it "fruity liver" and after making it they gave it To the local farmer but he was undercover to be an evil...

3...mafia who is very greedy and smart he tries to get the **BIGGEST** of fruits and clone them with a cloning machine then sell them for lots of money

and any ways he ~~uses~~ ⁴
The fruity live on his
apple, lemon, banan, lime

And goes off for
The night

5 The next day...

The farmer picked
The fruit he put
fruity live on

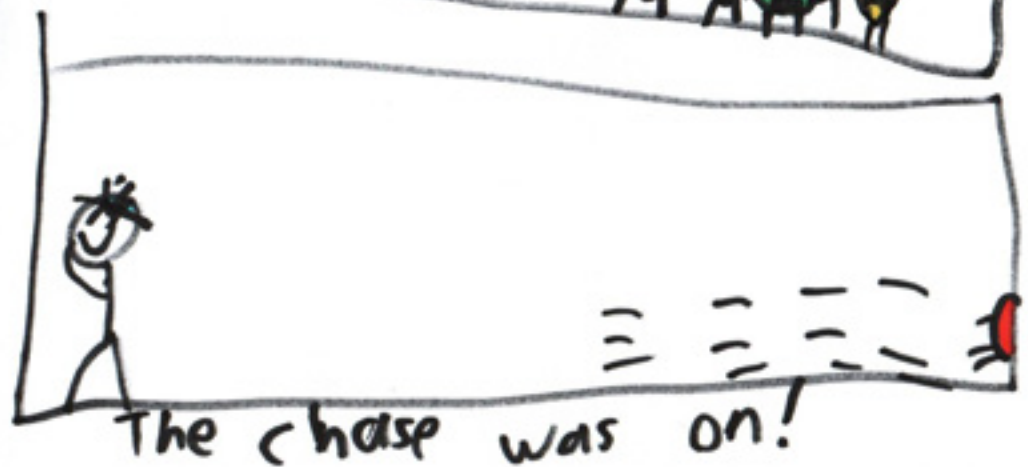

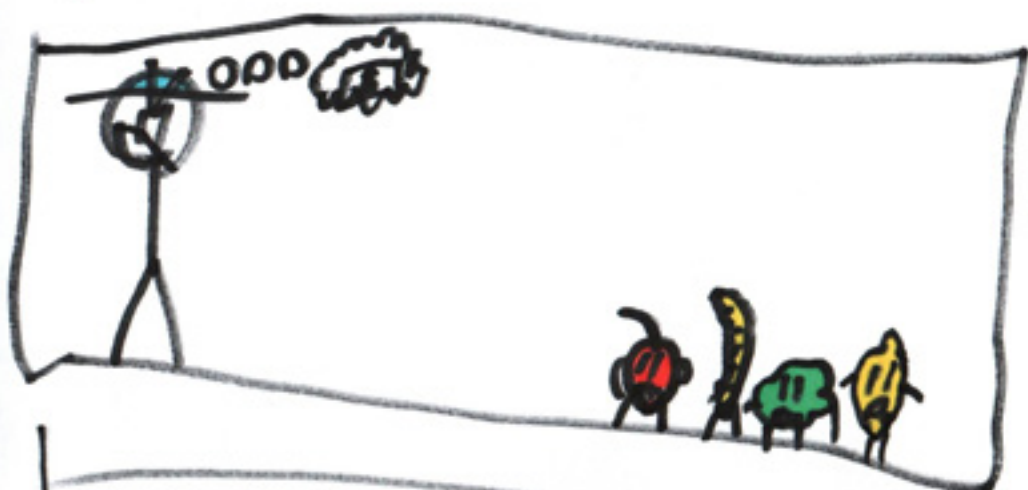

but when he pulled
them out...

THE FRUIT WAS ALIVE

he was shocked at first⁶
but he realised if he brought
them to the lab he could
get LOTS of money.

Too bad the fruit heard
because he said it out
loud

The chase was on!

"The Super nutrient is
complete! now all
we need to do is get
Samwan to test it!!
